Dear Parent/Carer,

Feedback to Parents from the Parent Survey and Parent Governor Election

On Thursday, I am meeting with governors to look through the results of the parent survey. I am very keen to engage with parents on the areas raised in the feedback, both positive and areas where we can improve. I understand the pressures that working parents face and want to be able to engage with as much of the parent community as possible.

We will run two feedback sessions:

- Wednesday 4th February 9:00am (in school)
- Wednesday 4th February 7:30pm (virtual)

This is the first time we are trialling an online session for parents. We will send a Google meet up link via ParentMail on the morning of Wednesday 4th February for those who want to join. I look forward to seeing parents there.

Parent Governor Elections

We currently have a vacancy on the Board of Governors for St Mary's. We are looking for keen volunteers who want to give back to the school and offer their expertise. Governance plays a vital role in shaping the strategic direction for the school, supporting leaders and staff and ensuring that the school does the best for the children. If you are interested in becoming a governor, please email a short bio (no more than 200 words) to nscott@stmaryallsaints.com, outlining your strengths and what you could bring to our Governing Body. If we receive more than one offer then we will hold an election. Please submit an email by 3:00pm on Friday 6th February.

Yours sincerely,

Laurie O'Brien
