Recording reading- KS2

UKS2

The children will have opportunities to change their reading books throughout the week, when appropriate.

Children's reading will be logged and monitored in a paper reading diary. This diary will stay in school and the children will be updating them when they have finished a book. This gives the children an opportunity to share the different books they have read with their peers and helps to promote the love of reading. We would still recommend children reading every day but this should change the focus from a chore to entertainment. We would encourage you to still listen to your child read on a regular basis to help improve fluency as well as ask them questions to boost their comprehension skills.

3. The responsibility of each pupil's parents; and what the school expects of its pupils

We ask that yourselves as parents / carers read this with your child / children and both sign it. Your child's class teacher will also then sign the agreement which will be kept in your child's file. We will also send a copy of the agreement home for you to refer to throughout the year.
